What has Changed

The first half of the year brought a bit of change. In February you said a partial “goodbye” to Suzanne Duvall and hello to me, Suzanne Chester or “Newzanne”. I had very big shoes to fill and we’re lucky to still see Suzanne D. on occasion and appreciative of all the help and caring she continues to give each of us!

I have enjoyed getting to know so many of you and, with just a little more time, hope to learn everyone’s names. You have been a very welcoming group and I am grateful to have found you and this center!

It is my hope that we continue to fill the time and spaces here at THE PLAYERS Senior Center with new activities, so that **ALL** days Tuesday-Friday have a variety of opportunities for everyone to enjoy and enrich their lives. If you have a suggestion please complete a club application form.

~ Suzanne
